

Atlantic Great Dane Golf Get-Away

Each summer, the sales team at Atlantic Great Dane breaks from business as usual to host a three-day golf outing for their valued customers. To mark the 25th anniversary of this golf tradition, the dealership ramped up the celebration by treating customers to stops at coastal Maine's most treasured courses.

More than 30 customers and employees attended the course-hopping event, with eight foursomes playing the links at Samoset Resort in Rockport, Kebo Valley Golf Course in Bar Harbor and Penobscot Valley Country Club in Orono. The entire group feasted together on local seafood the first night and at a Down East lobster bake at the conclusion of day two.

"Our annual golf get-away has been coveted by our customers and the Atlantic Great Dane team for 25 years," said Gene Masteller, Sales Manager. "We work hard to create a memorable experience for our customers to show our appreciation for their business."

Chris Hammond, Rob Fortney, Dan Hartley and Kit Hammond represented Great Dane's Dealer Sales department at the outing.
